## Terms and Conditions

1. **Acceptance:** Upon acceptance by Brantley Gas of this application, applicant (and co-applicant) shall become the "Customer."
2. **Property:** Brantley Gas will provide Customer with appropriate propane storage tank ("tank") or cylinder and related equipment (in Brantley Gas's opinion), which will, at all times, remain the property of Brantley Gas and will not become a fixture or part of Customer's real estate. A UCC-1 may be filed with the appropriate state where tank is located.
3. **Termination:** Customer may terminate this agreement by giving Brantley Gas thirty (30) day prior written notice. Brantley Gas may terminate this agreement at any time if Customer violates any of the terms and conditions of this agreement. Prior to termination of this agreement, Customer shall use all propane in tank or cylinder. Any propane remaining in the tank or cylinder upon removal shall become the property of Brantley Gas and the value thereof may be credited to the Customer at the discretion of Brantley Gas. Customer shall remain liable for all fees and charges incurred by Customer prior to the termination of this agreement. Upon termination, Brantley Gas may charge the Customer the tank removal charge or if the tank is not removed a customer termination charge of \$44.50 will apply.
4. **Exclusive Delivery:** Customer agrees that only propane sold by Brantley Gas will be delivered to the tank or cylinder provided by Brantley Gas.
5. **Delivery Price:** Customer shall pay Brantley Gas's rates, fees or charges in effect on the date that propane is delivered to Customer. Brantley Gas reserves the right to change its rates or charges if need be without prior notice. The price of propane varies based on market influences, Brantley Gas's costs, volume of use, and other factors.
6. **Service Charges:** Service charges are based upon Brantley Gas's then current labor and operational costs.
7. **Default:** Customer agrees to pay all invoices received from Brantley Gas within 30 days of the date of any such invoice. Customer will be considered in default if balances are unpaid after 30 days. Customer shall pay finance charges on the 30 day unpaid balance as provided on the reverse side hereof.
8. **Equipment Operation and Access:** Brantley Gas shall maintain the equipment in good operating condition at all times. Customer hereby agrees that Brantley Gas shall have right of entry at all times upon customer's premises at any or all reasonable hours of the day for the purpose of removal, inspection, and repair or to maintain the equipment. Access will be granted to Brantley Gas without question or hindrance by Customer or Customer's agents. Customer will always be responsible for maintaining accessibility to said equipment.
9. **Limitations on Damages:** Brantley Gas shall not be liable for any loss sustained by Customer as a result of the exhaustion of Customer's supply of propane, nor for any injuries to persons, damage to property or loss due to the negligence by Customer, its employees, or assigns. Brantley Gas shall not be liable for incidental or consequential damages.

**The current price and/or rate for "service, propane, minimum usage charge(s), tank rental charge(s), tank removal charge(s)", and any other fee, charge or cost to Customer is readily available by visiting or calling one of Brantley Gas's Customer Service Representatives at the address or telephone number printed on the reverse side of this document (or page one (1) if faxed). Brantley Gas reserves the right to increase any prices, fees, rates or charges without prior notice.**
